

ANNOUNCEMENT

Join us in welcoming our new sales representatives!

Vision Truck Group is pleased to announce the addition of two new Sales Trainee's to our Mack Sales team starting Tuesday October 10th. Vision Truck Group has embarked on an innovative approach to develop future sales stars by investing the time and energy by "immersing" these individuals into all facets of our business. Over an 8-month period, this "hands on" approach will give our new sales representatives a chance to experience the culture of the Vision Truck Group, department by department.

When finished, these new employees will be better prepared to understand all perspectives of the dealership environment which will better enable them to support our customers and our dedication to service. With the development of a documented training process, we hope to utilize this process in the development of employees in other career opportunities at Vision Truck Group as well.

Matt Howlett

University of Guelph
Bachelor of Science Graduate

Kyle Becker

Years of experience in the automotive industry in roles such as Sales, Service Advisor & Technician
