22T JACK

KT163194

~~\$784.95~~

\$624.95

- 22 ton air/hydraulic jack with air control system
- Lift range from 8.8" to 13.5"
- Narrow fits between tandem wheels
- Pneumatic activation in both directions
- Handle valve control allows precise lowering/raising of the ram
- Load limiting bypass valves prevent use beyond rated capacity and overextension of ram

*Prices subject to change without notice. Limited offer, while quantities last. **Pictures are for illustrations only.** Applicable taxes extra.
